Foreword

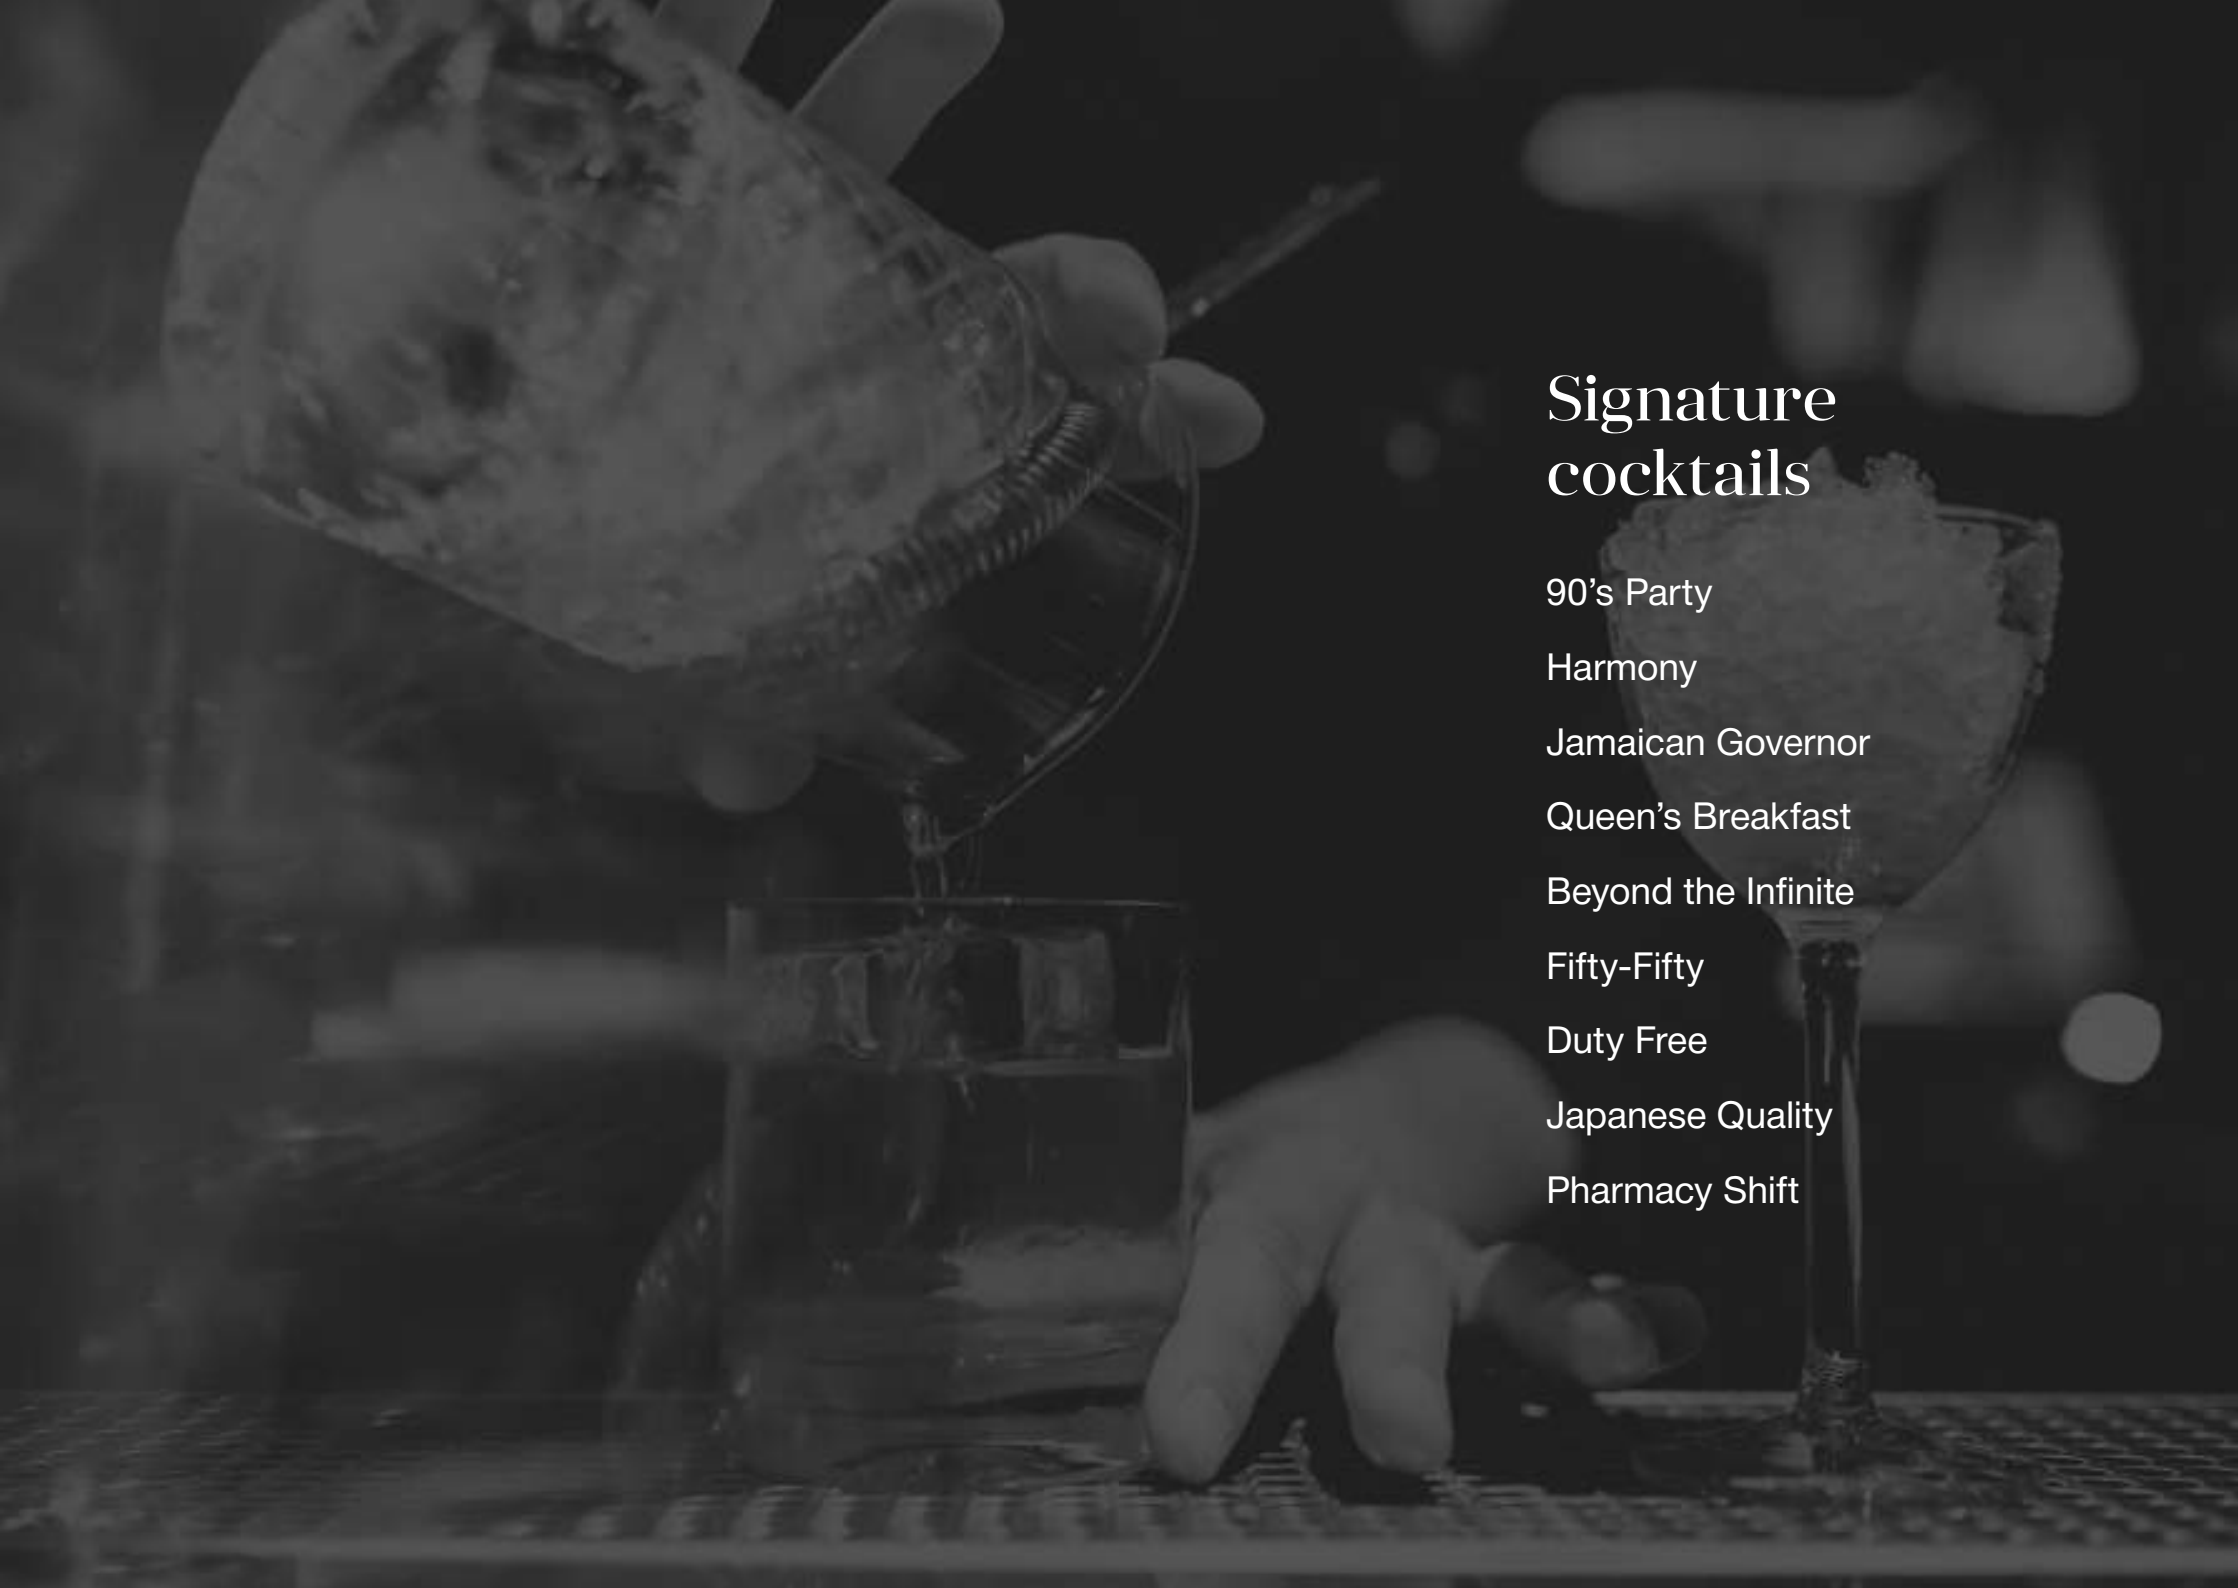

When creating Signature cocktails, the 11 Mirrors team found themselves inspiration in classic recipes, as well as modern methods, and in the culture of the world of a harmonious combination of ingredients.

Our goal is to introduce you to the wonderful world of bar drinks that will surprise you and make you fall in love with yourself.

Classic cocktails hold a special place in our hearts and are the foundation on which our bar philosophy are based.

We invite you on an exciting journey through the pages of The Bar Book. This book will introduce you to the history of iconic cocktails and traditional drinks that make up world bar culture — from their origin to the present.

11 Mirrors & Bar opened its doors in November of 2018. The panoramic restaurant and bar is located on the 11th floor of the 11 Mirrors Design Hotel. This is the first hotel in Ukraine and other countries of Eastern Europe, which became a member of Design Hotels™ — an international collection of almost 300 extraordinary hotels, carefully selected all over the world.

The other hand is positioned near the base of the glass. In the background, a tall, elegant glass filled with a frothy drink is visible. The scene is set on a bar counter with a textured mat.
